HONORARY *Chairs* - Micallef Family

We are proud to support Junior Achievement of the Chisholm Trail through the JA Empower the Future Breakfast. This event plays a vital role in equipping students with the tools and confidence they need to thrive beyond the classroom and into their future careers.

From financial literacy and entrepreneurship to real-world work readiness skills, JA empowers young

people to see what's possible and take the steps to achieve it.

We believe these experiences not only prepare students for success but also strengthen the future of our community. Your support of JA ensures these life-changing opportunities continue to reach the next generation of leaders.

Thank you,
Al, Mike & Amanda Micallef
